Sir

I have the honour to state that Mr. V T Nagappa, Food-Inspector of this Municipality on Rs 50/- + 5 C A per month, was appointed as III Class Health Officer and was relieved of his duties in March 1945. Consequently, the vacancy of the Food Inspector, was classified and reported to the Public Service Commissioner for advertisement, but in response to the advertisement, in the Gazette, no applications were received for the post. The qualification required for the post is a pass in the L.M.P. and the present pay of the post is not attractive for a qualified Medical man. The Health Officer has therefore reported that the pay of the post may be revised to Rs 75-5-100 + 5 C A per month (from Rs 50/- + 5 C A) as it would be advantageous to have a Doctor as the Food Inspector so that his services may be utilised for inoculation work in times of necessity and also in the laboratory proposed to be opened by this Municipality.

2 In this connection, it is stated that the servers and food-handlers in the Hotels, Restaurants and Bakeries etc., have to produce Medical Certificates. The Proprietors complain that their servants have to wait for hours for the doctors to examine them, and represent that they are prepared even to pay a fee of Rs 2/- in respect of each person examined, if proper facilities are given by the Municipality. The Health Officer reports that the Doctor to be appointed as Food-Inspector in the proposed grade may be permitted to examine the above-mentioned servants on payment of a fee of Rs 2/- each. By this arrangement, the Municipality will realise a sum of

a sum of about Rs 2000/- per annum, whereas the extra expenditure involved in appointing a Doctor as Food-Inspector in the revised grade would be only Rs 300/- per annum. After this proposal is approved by Government, necessary amendments to the Hotel Bye-laws will be proposed and the approval of Government obtained thereto

3 The above proposals of the Health Officer have been approved both by the Managing Committee and Council at their meetings held on 14-8-1945 and 8-10-1945, respectively.

4 A copy of the Council resolution referred to above is herein enclosed for favour of obtaining the sanction of Government thereto

I have the honour to be,
Sir,
Your most obedient servant.

For aarded with compliments.

ORDER, No. 2165-88-91 / ml 10-45-135

DATED, BANGALORE, THE 11 JANUARY 1946

It is reported that the vacant post of the ~~reed~~ Inspector on Rs.50 plus 5 C.A. in the Bangalore City Municipality was advertised through the Public Service Commissioner in the Gazette and that in response thereto, no applications were received. The qualification required for the post is a Pass in the L.M.P. Examination and the present pay of the post is not attractive for a qualified medical man to take it up.
